Dundas!

a great place to call home,

let's keep it that way!

AFFORDABLE - continue working to lower taxes without compromising public safety, our quality of life or our infrastructure maintenance.

ACCOUNTABILITY - of staff and elected officials.

ENVIRONMENTALLY MINDED - by preserving and celebrating the Wild and Scenic Cannon River at the Heart of our community.

BALANCING GROWTH - by sustainable residential development and opportunities for commercial and industrial businesses.

POSITIVE COMMUNICATION - between all aspects of City Hall, the citizens and surrounding municipalities.

Prepared and paid for
